San José MSBL Free Agent Rules and Policies

1. All SJMSBL players on a 2019 team roster may file for free agency between January 1 and April 1, 2020.
2. Players wanting to change teams must notify the Board of Directors by submitting the online Free Agency Request form.
3. A player wanting to change teams must also notify their current team manager of their free agent intentions.
4. All fees must be paid in full to player's former team or request to change teams will be denied.
5. No more than two (2) players from the same former team (previous league season) may use free agency to join the same new team for the current league season UNLESS the Board of Directors approves an exception to the two-player policy.
6. League teams many not acquire more than four (4) players total from ALL other league teams and no more than two (2) from the same league team without the approval of the Board of Directors.
7. Prospective free agents are not officially on a different team roster until receiving board approval in writing.

I have read the SJMSBL Free Agent Rules and Policies, agree to abide by the terms and conditions set forth and fully understand that this is only a request to change teams. I realize that approval from the Board of Directors is required before I may join a different league team.
